

Privacy Policy

Effective date: 9 April, 2026

FanControl respects your privacy. This Privacy Policy explains what data we collect, why we collect it, and how we use it

1. Data We Collect

We may collect and store the following data

License information

Your email address, license key hash, purchase date, license status, linked devices, and latest license restore date

Device information

Device name, hashed device identifier, and operating system

Diagnostic reports

A unique report hash and the output of the fan -r command

2. How We Use Data

We use this data to:

- verify and manage licenses
- restore purchases
- associate licenses with devices
- prevent fraud and abuse
- troubleshoot technical issues
- improve the product

3. Automatic Reports

When you open FanControl, the app may automatically generate and send a diagnostic report. This report may include a unique report hash and the output of the fan -r command. We use these reports for debugging, support, and compatibility improvements

4. Legal Basis

Where applicable, we process personal data to perform our contract with you, comply with legal obligations, and pursue legitimate interests such as fraud prevention, license enforcement, product security, and support. EU guidance explains that GDPR applies to organizations handling personal data of individuals in the EU, including some organizations outside the EU that target EU users

5. Data Sharing

We do not sell your personal data. We may share data only with service providers that help us operate FanControl, process payments, or provide support, and only where necessary for those purposes

6. Data Retention

We keep data only for as long as reasonably necessary for license management, support, security, legal compliance, and dispute resolution, then delete or anonymize it where practical. FTC guidance for businesses emphasizes collecting only needed data, keeping it secure, and disposing of it properly when no longer needed

7. Security

We use reasonable technical and organizational measures to protect personal data from unauthorized access, loss, misuse, or disclosure. FTC business guidance recommends maintaining a sound security plan and protecting the information you keep

8. Your Rights

Depending on your location, you may have the right to request access, correction, deletion, export, restriction, or objection regarding your personal data. To make a request, contact us at topscrech@icloud.com. EU guidance summarizes these rights under GDPR

9. Children

FanControl is not intended for children under 13, and we do not knowingly collect personal data from children

10. Changes

We may update this Privacy Policy from time to time. The updated version will be posted with a new effective date
