

Terms of Service

Effective date: 9 April, 2026

Welcome to FanControl. By purchasing, downloading, or using FanControl, you agree to these Terms

1. License

When you purchase a license, you receive a limited, non-exclusive, non-transferable license to use FanControl in accordance with these Terms

2. License Data

We may store license-related information including your email address, license key, purchase date, status, linked devices, and last restore date to verify purchases, manage licenses, and prevent abuse

3. Device Data

To manage licenses, we may store device-related information including device name, hashed device identifier, and operating system

4. Diagnostic Reports

When you open the app, FanControl may automatically generate and send a diagnostic report to help diagnose issues, verify compatibility, and improve the software. These reports include the output of the fan -r command

5. Acceptable Use

You agree not to misuse FanControl, interfere with its operation, attempt to bypass license restrictions, or use the service in violation of applicable law

6. Availability

FanControl is provided on an as-is and as-available basis, without any guarantee of uninterrupted availability or error-free operation

7. Limitation of Liability

To the maximum extent permitted by law, FanControl and its owner are not liable for any indirect, incidental, special, consequential, or punitive damages, or for any loss of data, profits, or business arising from use of the software

8. Termination

We may suspend or revoke access to FanControl or a license if these Terms are violated, a payment is reversed, or abuse or fraud is detected

9. Changes

We may update these Terms from time to time. Continued use of FanControl after changes take effect means you accept the updated Terms
